### SIGHT-SEEING SEASON OPEN. Influx of Tourists Begins Earlier

## Than Usual.

erally a bad time for tourists, of course inauguration year excepted, the past week has seen an unusually large number. the Capitol, the Museum, Smithsonian Institution and Monument, have all been thronged to an unusual extent. A goodly

The most noticeable feature of the sight-seeing during the past week has been the extent to which the "rubberneck wagons" were crowded. They made trip after trip, always with a full load and "A Perplexing Situation," one of the wagons pulled up in front of a downtown hotel. It was filled in a moment and many persons were left standing on the sidewalk who had to wait until yesterday, as it was the last trip of the evening. A member of the crew of one of the sight-seeing cars when questioned, said that Holy Week has been one of the most prosperous in the history of the big buzz wagons in this city.

Heavy business is predicted for this week. All the hotels are crowded at present with the race-going crowd, and those coming to Weak and the property of the big week. All the hotels are crowded at those coming to Weak and the present with the race-going crowd, and the present with the present with the race-going crowd, and the present with the race-going crowd, and the present with the present with the race-going crowd, and the present with t often a large overflow was left behind. This was noticeable Friday evening when one of the wagons pulled up in front of a downtown hotel. It was filled in a mo-

present with the race-going crowd, and those coming to Washington in large parties will have difficulty in securing accommodations. Easter week is always a boom week, and the local hotel man-agers expect to be crowded to full capac-

There are and have been hundreds of persons leaving the city in the past few days for the Easter holidays, but these material change in the downtown condi

## Venezuelan Revolt Quelled.

Senor Guzman, charge d'affaires of the Venezuelan Legation, yesterday received a cablegram from the secretary of state o Venezuela, saying the recent revolution started by Gen. Penalosa, in the province of Tachira, in the western part of Vene-zuela, had been quelled and that perfect peace now prevails.

## MRS. ANNA M. PARKS' WILL.

Mrs. Mary A. P. Stevens Is Made the Chief Beneficiary.

By her will dated January 21 last, Mrs Mary A. P. Stevens, who is also to have premises 1316 Harvard street northwest WELCOMED BY THE PRESIDENT at the death of the testator the fund is to be divided and distributed as follow Harold D. Alexander, \$500; Dr. Thomas Visitors from Dominion Applaud the Chalmers Easton, 300; Mrs. Clara Stan ford, \$50; Thomas de Madeiros, \$50. The rest of the estate is to go to the testator's Harold D. Alexander, of Al

bany, N. Y., is named as executor.

The will of Reuben S. Smith, dated Deember 31, 1906, was filed for probate yes terday. The personal estate and house L street northwest are devised to his widow, Mrs. Virginia E. Smith; lot 11 in square 565 to the daughter, Rosa V. Smith, his son Jerome B. Smith, and his of the Easter holidays, had the time of the Easter holidays, had the time of the widow in equal shares. Anna M. Parks devised her house at Round Lake, N. Y., to her daughter, Mrs.

Regret Short Season.

Mme. Eames in Fine Voice-M. Plancon Strikingly Good-Caruso, as

Radames in "Aida," Has Part that Suits the Temperament of the Artist-Brilliant Audiences.

The highly successful short season of grand opera at the Belasco Theater closed last night in a burst of glory, with worldfamous soloists, brilliant ensembles, gor-geous costumes, lavish and artistic scenic effects, and an audience truly representative of the best society in Washington There were two performances yesterday and many of the most prominent people in Washington attended both. In the afternoon Gounod's "Faust" was the attrac-He made a little speech to them, which Methodist Protestant Church will begin tion. The book is by Jules Barbler and He made a little speech to the on Wednesday at the Rhode Island Ave- Michel Carre, and the soloists were Mmes. will be held at night. The sessions begin Bovy, who, under Herr Conried's direction, conducts all the operas in French. tion, conducts all the operas in French.

Every afternoon from 3 to 4 o'clock, Dr.

Munhall, the noted lecturer, will speak, grand opera music may ever be said to be lish, "The Board of Education." Every afternoon from 3 to 4 o clock, Dr. dound a music is so well known that if looking to to frost checked femininity meyer came to Washington, and the President's eyet sparkled with pleasure when then. Nearly all the members of ty are from Toronto, but there are ents from London, Hamilton, and the president to president to succeed to the conference. The conference of the Phode Island Avenue Company has taken admirable advantage. Company has taken admirable advantage

nd of the third act, where the soldiers and Valentine have returned from the LAND OFFICE REORGANIZED applause, while the ballet was markedly beautiful

### Mme, Eames in "Faust."

The part of Marguerite suits admirably the exquisite voice of Mme. Emma Eames out it allows small chance for dramatic ef feet. The fine results Mme. Eames attains, she reaches with little apparent effort her gestures are few and simple, and her method of singing entirely natural; it is never strained or forced. The result is that her work at times seems cold, not The Glen Echo automobile situation to say lifeless. Her best work was done

which the President was to greet them arrived the big apartment was fairly well crowded. Ushers and policemen formed them into a semi-circle facing the authorities. Dis fine for speeding paid, and a vigorous fight made on Marshal Collins for the firing of his gun.

President Looks Pleased.

When the doors were opened and Mr. Roosevelt came in, they began to ciap their hands. The president looked pleased.

When the dovernment of the divisions have been so changed of that the divisions have been invested with vigorous fight made on Marshal Collins for the firing of his gun.

The other case in point is that of Baron not, fortunately. M. Plancon seen the danger. He pushed the heavy roller of the curtain away just in the nick of time.

M. Plancon is Good.

The Commissioner states that one purbance is "to so detail and concentrate the work of M. Plancon was strikingly provided."

The work of M. Plancon was strikingly provided. The closes of this greater authority. They will be held respective divisions and will be required to call for fortunately. M. Plancon seen the danger. He pushed the heavy roller of the curtain away just in the nick of time.

M. Plancon is Good.

The Commissioner states that one purbance of the curtain away strikingly provided. The commissioner states that one purbance of the curtain away for the curtain away is in the nick of time.

Th

case; that it would not be heard before him, for the reagon that the arrest was and consequently it would go before the county magistrate at Receivellie. He says that known than other operas its setting is Egypt, at a period when the matter of advising Marshal Collins on what course he should purrue.

An official of, the State Department Anonaero, King of Ethlopia, She has fallen prisoner to the Egyptians and has fallen prisoner to the Egyptian king. Ammeris is in love been shought to the attention of the office of the completed in a series of the embassy could be seen.
